

REFINEMENT

ROSÉ MAJEUR

Rosé Majeur embodies the refinement of the House's wines. With Chardonnay as the principal grape, it provides an unparalleled freshness and finesse, along with Pinot Noir from the best crus of the Montagne de Reims.

Delicate notes of gooseberries and raspberries arise from the blend of a small amount of red wine, crafted exclusively from Pinot Noir from Aÿ, a Grand Cru characterised by its generosity. A sweet treat, with subtle dosage.
